Maths

Multiplication strategy focus: 2s, 4s and 8s

Watch the [video](#) about the 2s, 4s and 8s timestable strategy and practice these timestables by trying to become the Domino Wizard again!

The Domino Wizard: 2x 4x and 8x

Beat the timer or play with a sibling (make your own rules)

Steps

1. Place the dominoes face down on a table
2. Pick up one domino at a time
3. Quickly add the numbers
4. Then multiply by 2, 4 or 8

First round: multiply by 2

- Add the numbers together, so $5+5$
- Then multiply by 2, so $10 \times 2 = 20$

(Read the equation out aloud before picking up the next one)

If you are unsure of the answer check using the strategy

- Add the number together, so $3+3$
- Then multiply by 2, so $3 \times 2 = 6$

(Read the equation out aloud before picking up the next one)

If you are unsure of the answer check using the strategy

Second round: multiply by 4

Third round: multiply by 8

Weekly Extension:

Finish working through the multiplication worded problems if you haven't already!

Optional Learning Platforms:

- [Prodigy](#)
- [Study Ladder](#)
