### Inquiry Project

Today we are following the First Fleet's voyage from Portsmouth in England to Australia.

We are also going to learn how to interpret maps!

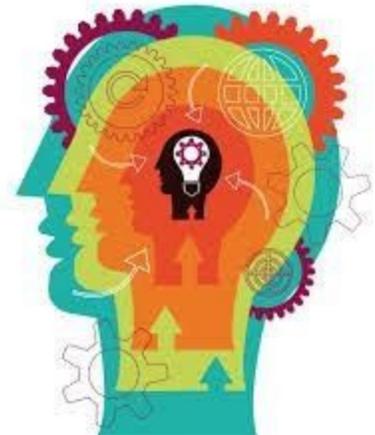

Using the maps attached, find information about the countries the First Fleet travelled to and the dates when they travelled to these places.

Then create a timeline of the First Fleets voyage to Australia. Create it on [this website](#).

Your timeline should include:

1. The countries that they stopped at and their names
2. Include the dates they were there
3. As a challenge find out why they stopped at some of the different countries

Take a photo or save it when you are done. You will submit this on Friday in the final assignment.
