

Year 2 Suggested Remote Learning Schedule

Reading

Perhaps you might enjoy reading a book outside!

15 minutes of read to self or read to someone each day.

- ❖ Choose a book from your bookshelf to read or listen to a book online using sunshine online or storyline online (login instructions included in your care pack).

Storyline Online

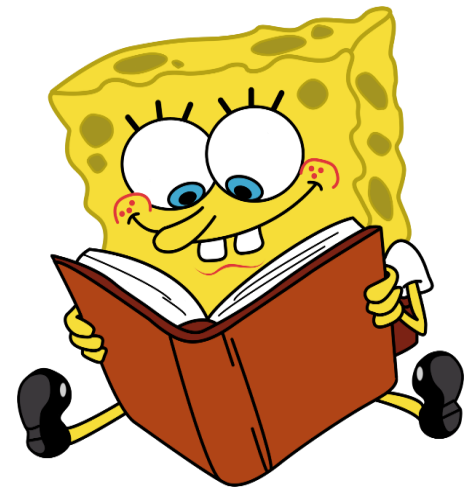

Record your daily reading in your yellow reading log book.

15 minutes of reading activities daily.

Choose between the following:

- ❖ Log in to SeeSaw and pick a reading activity from the Grade 2 Literacy Matrix.
- ❖ Log in to Lexia and choose different tasks to complete. Remember that Lexia needs to be used with no help from your parents!

(Login instructions for SeeSaw and Lexia are included in your care pack).

Please remember that the activities and times are suggestions. There are plenty of opportunities that arise each day where reading skills can be practised. For example, *read* a recipe as you make a favourite food or a batch of playdough as a family.
