

# MATHS ACTIVITIES

## WEEK 3 OUTLINE

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY						
ACTIVITY	<p><b>Warm up:</b> Write a two, three OR four digit number on your page. Around the number, write 5 addition equations that equal your number and 5 subtraction equations that equal your number. See the example on Seesaw on Monday.</p> <p><b>Activity:</b> Log onto Studyladder. You will see a bar that says 'Tasks'. Click and complete your tasks. Your tasks are called Addition from the 'Rapid Recall Number Program'</p>	<p><b>Warm up:</b> Set a timer for 4 minutes. Skip count by 2s, 3s or 5s and see how high you can go!</p> <p><b>Activity:</b> Watch the 3D shape name video. Complete the 3D shape sorting Seesaw activity. Sort the objects to the correct 3D shape name. Extension: Walk around your house and take photos/ draw items of different 3D shapes you can see and label with its 3D shape name.</p> <p>Example:   <b>sphere</b></p>	<p><b>Warm up:</b> Complete the Wednesday activity on Seesaw about measuring in cm.</p> <p><b>Activity:</b> Use some scrap paper to write the numbers 0,1,2,3,4,5,6,7,8 and 9. Put them in a container. Draw out two numbers. Then, draw out another two numbers. Add the numbers together using jump strategies.</p> <p>If 2 numbers is too easy you can do it with three digit numbers or even four digit numbers.</p>	<p><b>Warm up:</b> Write ten less and ten more for the following numbers: 45, 71, 22, 356, 200 &amp; 4067 Example:</p> <table border="1" data-bbox="1397 719 1711 852"> <thead> <tr> <th>ten less</th> <th></th> <th>ten more</th> </tr> </thead> <tbody> <tr> <td>311</td> <td>321</td> <td>331</td> </tr> </tbody> </table> <p><b>Activity:</b> Watch Miss Morgan's video about telling the time to the o'clock, half past, quarter to and quarter past.</p> <p>Draw the hands on the clock. This activity will be posted onto Seesaw. Use the draw functions to complete the clocks and submit!</p>	ten less		ten more	311	321	331	<p><b>Warm up:</b> Pick a 3 digit number close to 100. Write it in your book. Skip count backwards by threes until you get back to near zero.</p> <p><b>Activity:</b> Log onto Studyladder. You will see a bar that says 'Tasks'. Click and complete your tasks. Your tasks are called Subtraction from the 'Rapid Recall Number Program'</p>
ten less		ten more
