

Daily Schedule - Wednesday 26th August

You got this

Focus children:

9.30am Class Zoom Session

Reading

Watch the [video](#) of Ms Tolikas' think aloud, where she models the reading strategy **QUESTIONING**.

Next, add a new slide in your digital reader's notebook and create a table (refer to the table below). Re watch the above think aloud and record at least 3 of your own thick and thin questions. Refer to the attached thick and thin questions anchor chart to help you.

THICK QUESTIONS (I wonder, how did, why did etc.)	THIN QUESTIONS (When, where, what etc.)

The **more** that you read, the **more** things you will know. The **more** that you learn, the **more** places you'll go.

Dr. Seuss

Optional Learning Platform:

Develop your vocabulary and help to feed the world with a game called [Freerice](#)

OR

[Lexia](#) or [PowerUp](#)

Maths

Complete the Mental Maths questions for Wednesday. Skip the ones you don't know or look it up on Google! You will share the answers on Zoom tomorrow.

Today's task

Write out your 4 times tables.

E.g $1 \times 4 = 4$ $2 \times 4 = 8$ $3 \times 4 = 12$

After finishing, complete the matching set of division problems. E.g $1 \times 4 = 4$ so 4 divided by 4 = 1

Complete some division problems assigned for you by your teacher on Study Ladder.

WEEKLY EXTENSION: Continue work on the weekly multiplication worded problems.

Optional Maths Learning Platforms:

→ [Prodigy](#)

Snack

Inquiry Project

Measuring Angles

Thinking about the angles we learnt about yesterday - let's have some fun! Using your bodies - arms, legs - see if you can make acute, right and obtuse angles.

Feel free to create angles with a family member and try and take some photos! What angles did you make?

Watch the [measuring angles video](#) on the Google site on measuring with a protractor. Measuring angles is an important skill. Try and measure some of your angles that you created yesterday!

Complete the **practice sheet** on Google Classroom that you can also use to measure the angles.

Lunch

Specialists

Look at your Google Classroom for the Specialist assignment for today!
