

Digitech Lesson Activities (Grade 2)

Media Response

Here is video on Digital Technologies <https://www.youtube.com/watch?v=CrL8lqJkvAE> What are 2 subjects of the technologies curriculum called?

What does the word 'technology' mean to you?

Technology Poster

Create a poster about 2 things. Things that are great about technology? For example, you can learn information from YouTube and Google. And things that are not so good about technology? For example, kids can spend too long looking at a screen and not playing outside

Scavenger Hunt

Look outside a window where you can see outside, how many pieces of technology can you see. None? Maybe 5? Write down your answer below

Media Literacy

[Here](#) is a great website with free story books for you to watch and listen to. Pick a story, sit back, relax and enjoy media literacy.

Remember Kids

There are lots of great app and website suggestions listed on the school website, you can find them here <https://www.lyndhurstps.vic.edu.au/general-resources>.
