

Digitech Lesson Matrix (P-2)

Students to complete at least 1 activity per day (activities can be completed multiple times)

<p style="text-align: center;"><u>STEM CHALLENGE:</u> Build A Raft</p> <p>The Gingerbread man needs to get across the river without asking the fox for help. He needs a raft to take him across that will keep him dry.</p> <p>Use items around the home to help build his raft. Foil is one suggestion but will it hold the Gingerbread man's weight?</p>	<p style="text-align: center;"><u>Toys: The Past, Present and The Future</u></p> <p>Talk to family members or research toys of the past. Think about the toys today. Create a paper booklet with drawings and descriptions of the toys. Can you design a toy of the future?</p>	<p style="text-align: center;"><u>Media Response</u></p> <p>Here is our entire range of LTV and LPS videos on YouTube. Pick a video, watch, then tell a family member what you thought about it.</p>	<p style="text-align: center;"><u>Internet Poster</u></p> <p>Create a poster about everything you love about the internet. For example, games, youtube and finding out information.</p>	<p style="text-align: center;"><u>Scavenger Hunt</u></p> <p>Walk around your home, how many pieces of technology can you see. 5? Maybe 20? Write down your answer below</p> <hr style="width: 20%; margin-left: auto; margin-right: auto;"/>
<p style="text-align: center;"><u>Ipad Apps</u></p> <p>Check out our Lyndhurst Primary school website, there is a document on it, that shows some great apps that are available on the Apple app store. If you have an iPad, ask your mum/dad/caregiver if you can download one of them.</p>	<p style="text-align: center;"><u>Story Time</u></p> <p>Here is a great website with free story books for you to watch and listen to. Pick a story, sit back, relax and enjoy media literacy.</p>	<p style="text-align: center;"><u>Word Challenge</u></p> <p>When you hear the word 'technology' what do you think of? Write down every word that comes to head on a piece of paper. There are no right and wrong answers here.</p>	<p style="text-align: center;"><u>Learn to Type</u></p> <p>Here is a cool website for you to use, to learn and practise your typing skills.</p> <p>Note kids, this works best on a computer</p>	<p style="text-align: center;"><u>Design the future</u></p> <p>The iphone was invented in 2007 and changed the world. Create your own imaginary technology device on a piece of paper. What does it look like? What can it do? Let your imagination run wild!</p>
