

LEARNING INTENTIONS: Week 9 (14th-18th of September)

<p><u>Literacy:</u></p>	<p>Reading- We are learning to revise reading strategies. Writing- We are learning to write an Information report. Spelling- We are learning about /air/ words Grammar- We are learning about pronouns.</p>
<p><u>Maths:</u></p>	<p>Number- We are learning about multiplication Applied- We are learning about chance</p>

ICONS:

	<p>If an activity has this symbol, that it is the only piece of work that must be uploaded at the end of that day.</p>
	<p>Zoom meetings will be held on Monday and Friday mornings, an instruction email will be sent to parents.</p>
	<p>Students use their prodigy codes to log on and complete maths tasks.</p>
	<p>Students log in and read a book from their level.</p>
	<p>Students will be using https://www.sunshineonline.com.au/ Username: lyndhurst Password: lyndhurst</p>
	<p>Specialist Matrices: Please check Seesaw for activities</p>

Session 5 each day is OPTIONAL

There are a range of resources that students are able to use. These include: Just Dance, Go Noodle, Cosmic Yoga for Kids and ABC ME. ABC is currently broadcasting a range of educational programs including, art and craft, science, maths and history. It is a fantastic resource, but once again it is optional.

	Session 1 Literacy	Session 2 Literacy	Session 3 Maths	Session 4 Specialist/Investigations	Session 5 (OPTIONAL)
M o n d a y	<p>Assembly 9:30am</p> <p>Zoom Meeting 10:00am</p>  <p>Reading Text: Echidna Information Report</p> <p>Activity: Read the information report on Echidnas. Seesaw Activity- 'Reading-Echidna Information report'.</p> <p><u>Underline</u> any interesting words (vocabulary) with a red pencil.</p> <p><u>Underline</u> 5 of the most important facts about Echidnas in green pencil.</p>	<p>Writing Information Report Use your information planner to write the diet and conclusion paragraphs (3-4 sentences) on your chosen animal. After you have written your paragraph on habitat, edit your writing using the editing pencil!</p> <p><u>Remember</u>, if you are presenting your project as a video, you need diet and conclusion paragraphs. This is adding to your description and end of your animal report in your video script!</p> <p><u>Upload your project, whether it be written or a video to the Seesaw activity, 'Australian Animal Project - Good Copy'!</u> Well done!</p> 	<p>Maths Multiplication Launch: watch the video "How to use multiplication arrays"</p>  <p>Activity: Complete the activity on Seesaw called "Arrays in multiplication" by writing an equation to match each array.</p>  <p>Extension: Draw 3 more problems in your book</p>	<p>Spanish Refer to Seesaw</p>  <p>Investigations (OPTIONAL) ** Select an activity from the Investigations matrix</p>	<p>Family challenge See if you can come up with a food that begins with each letter of the alphabet</p>

Reading

Sunshine Online

Choose a text to read and complete the activities that go with it.

When completing the handwriting activity at the end of the text, remember to do your best work!

Writing

Australia Post Letter Archive

Australia Post is collecting the letters of Australians. These letters are describing what is like to live during a Pandemic and with restrictions.

Watch: Australia Post- Dear Australia

Write a 1-page letter to Australia Post. Tell them about Remote Learning and what it has been like during this time.

Post your letter to:
Dear Australia
Locked Bag
Australia 9999

or
Keep it as a memory of this year and how different it has been!

Maths

Multiplication Multiplication

Launch: Watch the video on "Equal groups multiplication song"

Activity: Complete the activity on Seesaw called "Multiplication arrays" by drawing the array to match the multiplication problems.

Extension: In your book, think of 4 multiplication problems and draw arrays for each of them

P.E

Refer to Seesaw

Investigations (OPTIONAL)

** Select an activity from the Investigations matrix

Family Game
Play a game of charades.

Reading

Complete an activity on Lexia.

Text: Echidna Information Report

Activity: Reread the Echidna Information Report.

Answer the questions on the side of the text. Use your important facts to help you answer the questions!

(Update the Seesaw activity, 'Echidnas' to add in the answers to the questions)

Spelling and Grammar

Spelling: /air/ /air/ can be heard in these trigraphs; air, are, ere and ear.
Book Detective: Find 5 /air/ words in books from around your house. Write these words into your workbook in sentences.

Grammar: Pronouns
Watch: Pronouns video (link in Seesaw activity)
Complete the Seesaw activity, 'Pronoun Sort'.

Oxford Words: Using your 5 chosen Oxford words and five /air/ words from the sound activity create a spelling test for you and a parent/sibling to do. First, test your parents/siblings, then they will test you.

Maths- Applied Chance

Chance is the likelihood of something happening.
Launch: Look at the first slide in Seesaw. Read the language used when talking about chance.

Activity: Complete the activity by answering the questions using the correct vocabulary. Then complete the second activity by moving the picture to the correct heading.

Music/Digital Technology
Refer to Seesaw

Investigations (OPTIONAL)

** Select an activity from the Investigations matrix

Growing Patch Grub

Watch Mrs Howell teach you some skills in the kitchen.

<https://www.youtube.com/watch?v=rIw5u6X4H6w>

<https://www.youtube.com/watch?v=a6ruawjlm-c>

Take a photo of your test with the results on Seesaw
Choose 5 new words you want to practise from the Oxford word list.

Extension: Write three more things in your book, and the likelihood that they will happen.

Zoom Meeting
10.00 am

Footy Colours Day
Students will complete various football themed activities throughout the day.

Footy Colours Day

Footy Colours Day

Footy Colours Day

Footy Colours Day

School finishes
at 2:30pm.

Enjoy your holidays!

Optional Extra Activities:

Reading

Read to Self or Someone in your family

Lexia: Practise your phonics and further literacy for 20 minutes.

Expanding Vocabulary: Continue your glossary in your book and find new and interesting words and their definitions.

Writing

Diagrams- Make a diagram for an animal of your choice.

Practise handwriting. Work through the alphabet from A-Z, upper and lower case. Example. Aa, Bb, Cc.

Fast facts: Try to write as many facts about animals, school, or sport that you know.

Spelling/Grammar

Write your spelling words in rainbow colors

Online spelling activities. Watch and do some of the activities on this website: <https://www.spellzone.com/unit11/page1.cfm>

Maths

Fractions: Find fractions around the house and backyard.

Make a fraction in your dinner.

Capacity: Compare the water bottles of your family, whose bottle would hold the most water and whose would hold the least amount of water?
