#### **4. Inclusion and diversity:**

- 4.1 The Lyndhurst community is diverse and inclusive. Culturally, the community represents over 50 language groups from almost 50 countries and over 60% of students list English as and additional language. Beyond that, the school community represents and values diversity in a range of other personal attributes.
- 4.2 We are committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes. The student well-being program, Harmony Day celebrations, the school cultural calendar and the Healthy Habits-Healthy Kids program all contribute to the promotion of harmonious, respectful and cohesive relationships throughout the community.
- 4.3 Lyndhurst Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Lyndhurst Primary School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.
- 4.4 Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Lyndhurst Primary School. We will take appropriate measures, consistent with our Student Wellbeing and Engagement and Bullying policies to respond to students who demonstrate these behaviours at our school.
- 4.5 Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.
- 4.6 Restorative practices will form a framework for supporting those who may be victims of such discrimination and to assist perpetrators of the impact of their actions.

#### **5. Reasonable adjustments for students with disabilities**

- 5.1 Lyndhurst Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers.
- 5.2 Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners.
- 5.3 Our school may consult through Student Support Group processes and in other less formal ways.
