

Visual Arts

Students to complete at least 1 activity per week. (You can do more if you like them!) You can choose activities from other levels. And check out the awesome art youtube links below!

Prep	Grade 1/2	Grade 3/4	Grade 5/6
<p>Drawing 2D Shapes Hunt Make a shapes chart and draw or write all the things you can find in your house, under that shape. eg: Rectangles table, kitchen bench, rug. eg: Circles apples, plug, ball</p>	<p>Paper Skills Origami Make chatterboxes and puppets (like we did at school). Create a puppet show for your family to watch! https://www.youtube.com/watch?v=OGVkiVWJ0i8 and https://www.youtube.com/watch?v=oH8RV-sFe_Y</p>	<p>Drawing Picasso Pets & People Using the lesson from school, create some Picasso style pets or people: eg. draw 2 eyes, rotate the paper, draw one arm, rotate the paper, draw a leg, rotate the paper, draw a nose, rotate the paper. Now complete the drawing, add details, colour in. https://www.youtube.com/watch?v=sLYX1OUKuhI</p>	<p>Drawing Your Sculpture Remember your sculpture from school and redraw it to your best memory. You can modify it now, add more details. Write a little blurb about it: name, language, special abilities, planet it lives, family, etc. Write a story about it. If you have access to ICT, make a cartoon or movie about it.</p>
<p>Drawing Pattern Hunt Look around your house and draw all the things you can find, that have patterns in them. Patterns are repeating: it can be colours, shapes, lines, etc. Don't forget to look at the soles of your shoes!</p>	<p>Drawing Castles & Buildings We have made cylinders, rectangular prisms and cones at school. Use tabs to create the joining feet. Ask your parents for scrap paper to create your own paper castle. Don't forget bridges, windows and walls. Play with it using your toys!</p>	<p>Drawing Your Sculpture Remember your sculpture from school and redraw it to your best memory. You can modify it now, add more details. <p>Drawing Lines Hunt Lines can be straight, wavy, zigzag, spirals, bendy, short, long. Look around your house for all different types of lines, and draw them. Lines can also be patterns. Can you find and draw any line patterns?</p>	<p>Paper Skills Mosaics Draw your favourite thing in the world. No details. Ask mum/dad for paper scraps to cut into little mosaic squares and triangles, and glue them into your drawing to create a mosaic.</p>	<p>Artist Profile Internet project Do a google search of the type of art you like. Choose an artist and do a Profile Report on them. Then create your own artwork using their artwork as inspiration.</p>	<p>Drawing 3D Sketches Choose any items in your house and try to draw them as accurately as you can! Develop an artist's eye for observation: look at 3D shape, angles, perperspective, how to draw texture.</p>
<p>Drawing Invent a Machine using Shapes and Lines Invent a machine to do a job for you, that you don't like doing! What does it look like? How does it work? What job is it doing? Use shapes and lines to draw it. Label the drawing if you can. (Get mum or dad to help!)</p>	<p>Paper Skills Cones & Cylinders Creatures At school we made cylinders and cones to create things. Try to make a creature, dragon, alien, crazy monster...using all your paper skills learnt at school! Ask your parents for spare paper! https://www.youtube.com/watch?v=92KQeUuOxc8</p>	<p>Drawing Cartoon Art Everyone loves cartoons. Watch your favourite cartoons and try to draw him/her/it/them. It doesn't have to be perfect - you just need to be happy with it! Then, create your own cartoon drawing/episode for that character!</p>	<p>Drawing Arty Scribble Remember our arty scribble lesson, of about 5 loose, quick lines across the page. No thought. Then, rotate the arty scribble to "find" starting images you can then build on and add details, colours, thicker lines etc.</p>
