

# Daily Schedule - Tuesday 8th Septemb

You  
got  
this

Focus children:

## 9.30am Class Zoom Session

### Reading

If you did not finish your reading group task from yesterday, you must finish it in your digital readers notebook. Your teacher will be providing feedback on your answers today.

If you have finished your questions from yesterday, you must complete 30 mins of read to self.

Reading options:

1. Read a book you have in your home collection
2. Read articles from [Kids News](#)
3. Read a book from [Epic](#)

Remember after read to self you should also record your **thinking about your reading** in your digital Reader's Notebook.

Your thinking about your reading could be:

- A summary of what you read
- Thin and thick questions
- A list of connections you made and the types (T2S, T2T, T2W)
- A prediction you made, why you thought it and whether it was true or false
- A word study (finding out the meaning of unknown words)

Optional Learning Platforms:

[Freerice](#)  
[Lexia](#) or [PowerUp](#)

Teacher's email for Lexia: [lyndhurst.ps@edumail.vic.gov.au](mailto:lyndhurst.ps@edumail.vic.gov.au)

The **more** that you read, the **more** things you will know. The **more** that you learn, the **more** places you'll go.

**Dr. Seuss**

# Maths

Complete the Mental Maths questions for Tuesday. Skip the ones you don't know or look it up on Google! You will share the answers on Zoom tomorrow.

## **Learning intention: We are learning about division**

**TASK:** Record your own mini teaching video of you explaining how to use short division! You will need to upload this to the Maths assignment for today.

### **THEN**

Make your own division equations by rolling a dice or using an [online virtual dice](#). Then solve the equations using short division. You must complete 10 of these in your book.

**WEEKLY EXTENSION:** Continue work on the weekly division worded problems.

You will find other online games practising division [here](#).

**WEEKLY EXTENSION:** Continue work on the weekly division worded problems.

Optional Maths Learning Platforms:

[Prodigy](#)

[Study Ladder](#)

## Snack

### Inquiry Passion Project

Today, you are going to research your chosen passion. You will firstly need to find research on your chosen topic from a reputable website. Watch Mrs Rowell's video on [researching and finding appropriate websites](#). It is okay to find your information from more than one website.

Print or copy the research you have found to a word document and save it as you will need this research for tomorrow.

## Lunch

### Specialists

Look at your Google Classroom for the Specialist assignment for today!
