

Year 6 Matrix – Term 3 Week 9

Activities with this icon are the activities you need to hand in on your weekly assignment. Take a photo of these tasks and attach to your weekly assignment through google classroom and submit on the Friday of each week.

	9-10am Literacy - Reading	10-11am Literacy - Writing	11-11.30am Snack time	11.30am-12.30pm Inquiry	12.30-1pm Lunch time	1.30-2.30pm Maths	2.30-3.30pm Specialists
Monday	<p>Warm up: Complete 15 minutes of Lexia.</p> <p>Digital Reader's Notebook Open your digital notebook that you have saved to YOUR COMPUTER.</p> <p>Read the week 9 text found on slide number 45.. Read slides 46-48 and complete the task on slide 49.</p> <p>Extension: Have a go at one of the extension comprehension tasks found on google in the reading folder.</p>	<p>YOUR CHOICE: This week you get to choose what type of Explanation piece you want to do. Choices are:</p> <p>1)Flipgrid script and recording (<u>follow the planner for formal writing explanation and use this as your script, it will be what you read from when recording your flipgrid</u>)</p> <p>2)Formal Writing Explanation piece (<u>there is a planner in Google folder for you to look at for structure</u>)</p> <p>3)Concept Photo Story (<u>There is an example for you to look at in Google folder, a photo story lets the photos tell the explanation more than the words</u>)</p> <p>Topics to choose from to research are:</p> <ol style="list-style-type: none"> a) How is Glass recycled? b) How are Volcanoes formed? 	<p>Relax and enjoy your snack!</p> 	<p>Choose one of the learning intentions from this term that you have enjoyed learning about. Have a look at the questions on the Term 3 Inquiry question sheet and choose one question to research.</p> <p>Website research Find a website relevant to the question you have chosen and complete a note taking, note making template in your home learning book.</p> <p>It is very important to make sure you handwrite your notes into your book so we can see you have understood the information and have put it into your own words.</p>	<p>Relax and enjoy your lunch!</p> 	<p>Weekly Learning Intention: I can multiply decimals by whole numbers.</p> <p>Video: Watch the instructional video from your teachers.</p> <p>https://www.loom.com/share/d09d9f416fdd448e905b48fcb087cce</p> <p>Follow Up:</p> <p>Complete these sums.</p> <ol style="list-style-type: none"> a. $1.6 \times 4 =$ b. $2.95 \times 6 =$ c. $10.5 \times 3 =$ d. $3.2 \div 4 =$ e. $28.2 \div 2 =$ f. $3.66 \div 6 =$ 	<p>Catch up on any work you are behind in.</p>

		<p>c) What happens during sleep?</p> <p>d) How do birds fly?</p> <p>e) Why do we sweat?</p> <p>f) Why do bears hibernate?</p> <p>g) How does pollution affect our environment? (great choice for a photo story)</p> <p>h) Choose a natural disaster that has happened somewhere in the world and explain how it happened? (this one would also be great for a photostory choice)</p> <p>Have a look through the Explanation Writing Unit Powerpoint in your Google Folder. It has some great prompts and information to help you make your explanations the best you can!</p> <p>Today, research one of the topics above. Research different platforms, like a website, a video and an article to get all relevant information.</p> <p>The powerpoint you looked at today has some helpful slides for some of the research also.</p> <p>Put your research in your home learning book and make sure you take a picture</p>
