

Daily Schedule - Monday 31st August

You got this

Focus children:

9.30am Class Zoom Session

Reading

Find your reading group text and task under the "Classwork" tab in Google Classroom.

You must complete the following 3 things:

1. Read the text your teacher has set
2. Complete the task your teacher has set
3. Record your voice reading a page of the text. Post the voice note in your digital Reader's Notebook!

The **more** that you read, the **more** things you will know. The **more** that you learn, the **more** places you'll go.

Dr. Seuss

You have today and tomorrow to complete the above 3 things. If you do not know how to record your voice and paste into your Digital Reader's Notebook then [WATCH THIS VIDEO](#).

When you have finished that, please complete 20 mins of Lexia.

Optional Learning Platforms:

- [Freerice](#)
- [Lexia](#) or [PowerUp](#)

Teacher's email for Lexia: lyndhurst.ps@edumail.vic.gov.au

Maths

Complete the Mental Maths questions for Monday. Skip the ones you don't know or look it up on Google! You will share the answers on Zoom tomorrow.

Learning intention: We are learning about division

Last week's success criteria:	This week's success criteria
<ol style="list-style-type: none">1. I understand division language (divided by, share, group, each, divide, divisor, quotient)2. I understand the connection between division and multiplication (inverse)3. I can make fact families using multiplication and division4. I can use my knowledge of timestables to figure out division equations	<ol style="list-style-type: none">1. I can identify and match equivalent multiplication and division facts (using knowledge of fact families)2. I can use the halving and doubling strategy to solve division equations3. I can use my understanding of division to solve worded problems

Today's task: matching equivalent multiplication and division facts

Watch this [video](#) of Ms MacGregor explaining what equivalent multiplication and division facts means.

Then, choose your level of difficulty (1 star, 2 stars or 3 stars) from the worksheets and match the multiplication fact to the equal division fact. Remember what you learnt about fact families last week when you are completing this!

WEEKLY EXTENSION: Begin work on the weekly division worded problems

Optional Maths Learning Platforms:

→ [Prodigy](#)

→ [Study Ladder](#)

Snack

Inquiry Project

Build your treehouse design in Minecraft!

Today you are to build your treehouse in Minecraft. Have your design from Friday next to you so that you are trying to copy that design from the paper to Minecraft.

Remember you need to know where the angles in your design are and what types of angles you have included.

When you have finished, take screenshots of your treehouse as you will hand this in to your Inquiry assignment this Thursday.

Lunch

Specialist

Refer to your Google Classroom stream for the assignment from one of your Specialist teachers.
