Child safety and wellbeing at LPS: information for families and the school community

The Victorian Government has announced new [Child Safe Standards](#) to further strengthen child safety across organisations, including schools. The new standards recognise the critical importance of families and the broader school community in maintaining and promoting child safety and wellbeing.

LPS has reviewed and updated our child safety policies and procedures to ensure they meet the requirements of the new standards. These are available to view on the [school's website](#).

We are committed to continuous improvement in our approach to child safety and wellbeing and welcome feedback from families and members of our school community on ways we can further strengthen our child safety policies, procedures and practices.

If you have any suggestions, comments or questions, please contact LPS at lyndhurst.ps@education.vic.gov.au or by phone on 03 8768 6700.
